

CAROL WILLIAMS

SUMMARY

Currently employed as an Associate level Lighting Designer at Sladen Feinstein Integrated Lighting, Inc. where I work on comprehensive lighting solutions for each project. I have experience in custom fixture design, project management and controls.

I have a passion for enhancing environments through successful lighting, attention to detail and a strong commitment to excellence in customer relationships.

KEY ACHIEVEMENTS

Consistent Project Delivery

Achieved 100% on-time project delivery for over 50 major lighting projects.

Energy Efficiency Improvement

Improved energy efficiency by 30% through innovative and efficient lighting designs for various projects.

Cost Reduction Leadership

Previously managed 30+ staff, reducing operational costs by 15% through process optimization.

CERTIFICATION

LC, National Council on Qualifications for the Lighting Professions

IES MEMBER, Illuminating Engineering Society

LEED GREEN ASSOCIATE, U.S. Green Building Council
